

BOLT HORNET

MIW3 MECHANICAL IMPACT WRENCH

*The impact wrench with the highest
torque on the market*

High unscrewing performance

Multifunctional tool

Reliability

HORNET
PORTABLE TECHNOLOGIES

 **GEISMAR®**

Your benefits

- Easy unscrewing of the most seized nuts thanks to the high unscrewing torque
- Multifunction tool capable of tightening / untightening the fishplate bolts and screws
- Improved user comfort thanks to the weight supporting trolley (accessory)
- Easy engine start, even when it is cold
- Stihl manufacturer's warranty on the engine via the Geismar network

Unscrewing of the most recalcitrant elements of the track

Supporting trolley for better ergonomics
